

UNIVERSITY PARK CITY COUNCIL AGENDA MEMO

Meeting Date:
4/21/2026

Item Type:
Consent Agenda

Subject: Final payment approval to Stoic Civil Construction for Curtis Park Retaining Wall Repairs

Prepared By: Shanna Sims-Bradish, Assistant City Manager

Background:

In May 2025, a portion of the Turtle Creek retaining wall around the pond at Curtis Park failed and collapsed into the pond. Parks staff secured the area, and requested proposals from engineering firms to design an appropriate replacement for the century-old wall. At the July 15, 2025 City Council meeting, Council awarded an engineering design contract for emergency replacement of the retaining wall around the pond at Curtis Park to Walter P. Moore LP.

At the December 2, 2025 City Council meeting, the Council awarded a contract for construction services to Stoic Civil Construction for these repairs in the amount of \$314,859.60. Funding for this project was provided by the Self-Insurance Fund.

Stoic began work in December 2025 on the retaining wall and their work was completed in April 2026. City staff will be completing the associated flatwork and landscaping in the project area within the next few weeks. The final payment for this project is \$33,980.00 in retainage

Fiscal Impact:

- Not Applicable
- Budget Amendment Required
- Proposed Revenue
- Proposed Expenditure

Funding Source: Self-Insurance Fund

Master Plan Goal:

Please check the associated Theme and provide the corresponding action item number.
