Subject: Payment for School Crossing Guard Services

Prepared By: Bill Mathes, Chief of Police

Background:

In 2016, Officials from the City of University Park, Town of Highland Park, and the Highland Park Independent School District met and agreed that a single entity should have oversight of the school crossing guard contract to present an element of uniformity in the service provided to the community. The Highland Park Independent School District was chosen to perform that task.

Since that time the three entities have maintained the terms of the agreement and the City of University Park and Town of Highland Park have continued to fund the program for the crossing guard locations within their respective jurisdictions.
