

UNIVERSITY PARK CITY COUNCIL AGENDA MEMO

Meeting Date:
11/5/2024

Item Type:
Discussion Item

Subject: Discuss the two-way traffic designation on Rosedale

Prepared By: Keegan Littrell, P.E., Director of Public Works

Background:

At the October 1, 2024 City Council meeting, the Council approved an ordinance designating Rosedale from Snider Plaza to Dickens to two-way traffic during the Snider Plaza Phase 1 Surface Improvements Project. This was in response to multiple requests to change the one-way designation of Rosedale from Snider Plaza to Dickens to two-way traffic during the Snider Plaza Phase 1 Surface Improvements Project. Due to the width of the street, this designation also required designation of the north curb line as No Parking.

Following adoption of the ordinance, staff installed the required signs to implement these changes. After implementation, staff received feedback from a property owner in the 3400 block of Rosedale opposed to the change who addressed the City Council at the 10/15/2024 indicating a majority of residents in the block are opposed to the two-way designation of Rosedale from Snider Plaza to Hursey and had a petition to support his claims.
