Meeting Date:

Item Type:
Action Item

Subject: Consider an Ordinance Adding an Exception for Emergency Vehicles and Sanitation Vehicles for One-Way Alleys near Snider Plaza

Prepared By: Shanna Sims-Bradish, Assistant City Manager

Background:

At the January 6, 2026 City Council meeting, the City Council adopted an ordinance designating one-way alleys in the alleys near Snider Plaza to enhance mobility in the alleys.

After the adoption of this ordinance, it was discovered that Sanitation vehicles did have to go the opposite direction in the alley of the 6600 block between Snider Plaza and Hillcrest due to the placement of a few trash and recycling dumpsters serving Snider Plaza businesses. These dumpsters cannot be easily relocated due to the loss of parking spaces that would result. Sanitation vehicles currently service these dumpsters early in the morning (before 7:30 a.m.) and in less than minutes.

In order to accommodate these trash dumpsters, an amendment to this ordinance has been developed that allows for an exception for emergency vehicles and Sanitation vehicles serving the 6600 block between Snider Plaza and Hillcrest between 6:30 – 7:30 a.m.

Fiscal Impact:
