Prepared By: Keegan Littrell, P.E., Director of Public Works

Background:

The owners of 4004 Glenwick contacted the City to request abandonment of right-of-way adjacent to their property along Westwick. The request is for an area generally 8’ wide running the length of the property, approximately 255’, for a total area of 1,997 square feet. The abandonment would extend the owner’s property line to the sidewalk.

Per policy, following a request for right-of-way abandonment, the Council should consider the request and be generally in favor of the abandonment before an appraisal of the property is performed.
