TO: Honorable Mayor and City Council

FROM: Sharon Martin, Library Director

SUBJECT: Changes in Library Policies and Friends of the University Park Public Library Funding Discussion Guide

BACKGROUND:

The University Park Public Library Borrowing Policy has been amended to address the need for library users to have their library cards to check out materials.

The changes to the Meeting Room Policies and Procedures will address the Group Study Rooms, adding a two-hour time limit to the use of the room and limiting the use to group study.

The Friends of the University Park Public Library Funding Discussion Guide has been reviewed by Council; it reflects on change in wording requested by the Library Director.

RECOMMENDATION:

The Library Governance Board approved the change to the Borrowing Policy with a 3 in favor, 2 opposed vote. They approved the other two changes unanimously.

Staff recommends that the changes be accepted.
