

**AMENDMENT TO AGREEMENT
FOR ANIMAL CONTROL SERVICES**

THIS IS AN AMENDMENT TO THE AGREEMENT approved on September 10, 2013 (hereinafter referred to as the "Agreement") which was made and entered into by Robert Matthews d/b/a/ All American Animal Control, a division of All American Dogs (hereinafter referred to as "AAAC") and the City of University Park, Texas, a municipal corporation (hereinafter referred to as "University Park" or the "City").

RECITALS:

WHEREAS, University Park is desirous of contracting for animal sheltering services; and

WHEREAS, The AAAC desires to furnish these services to the City; and

WHEREAS, in order to fulfill the obligations of the agreement, an enclosure for storage of the animals must be built.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES AND CONSIDERATION PROVIDED FOR HEREIN, THE RECEIPT AND SUFFICIENCY OF WHICH ARE HEREBY CONFIRMED, THE PARTIES HERETO AGREE TO THE FOLLOWING:

The City has the obligation of paying for additional construction. The total obligation of the City is seventeen-thousand dollars (\$17,000.00). The cost includes the following amounts:

1. Enclose open space for animals - \$6,500.00
2. Cat Condos - \$6,000.00
3. Additional Dog Kennels - \$4,500.00

AAAC has the additional obligation to build the improvements at their location according to the following specifications:

- Space Size: 14x40x8
- Erect 8 foot insulated walls and ceiling to hold additional kennel space and create the ability to more effectively cool and heat the space.
- Stain and seal the concrete floor of the enclosed area to increase the functionality of the area.
- Construct an agreed upon number of additional lights, exhaust fans and AC and Heating units.
- Install a 6 foot wide shop door to allow the removal and easy cleaning of the moveable kennel system.
- Install a 36 inch wide door for staff access.

- Purchase and install two Mason Company cat enclosures to expand our healthy cat environment.

IN WITNESS WHEREOF, we have hereunto set our hands this the _____ day of _____, 2013 in the duplicate originals.
