Item Type:

Subject: Consider an Interlocal Purchasing Agreement with the City of Lewisville

Prepared By: Elizabeth Anderson, Purchasing Manager

Background:

The City wishes to enter into an Interlocal Purchasing Agreement with the City of Lewisville. The agreement is evergreen and will allow University Park to take advantage of products and services that have been competitively bid by Lewisville, and vice-versa.

Interlocal agreements are an efficient and cost-effective way for municipalities to make purchases that satisfy competitive bidding requirements. This type of agreement is allowed through the Interlocal Cooperation Act (Texas Government Code, Chapter 791). The City participates in similar arrangements with a number of municipalities in the Dallas / Ft. Worth area.
