Subject: Resolution amending Appendix A – Fee Schedule – hydrant meter deposit fee

Prepared By: Christine Green, City Secretary

Background:

In February 2023, the City Council approved Resolution No. 23-002 amending the fee schedule, and it included an increase to the refundable deposit for hydrant meters as follows:

Utilities

- a. Increase refundable deposit for hydrant (“builder”) meters from \$1,500 to \$3,000 - due to increased costs of replacement meters. (A3.001)

In December 2023, Resolution No. 23-025 raised fees for water meter security and reconnection of water service following cut-off for non-payment and unintentionally reset the hydrant meter deposit fee to the previous amount of \$1500.

This resolution will restore the hydrant meter deposit fee to \$3,000.
