

CITY OF UNIVERSITY PARK, TEXAS

FY2014 BUDGET (v. 2)
October 1, 2013 – September 30, 2014

August 9, 2013
Revised 8/28/2013

This budget will raise total property taxes versus last year's budget by \$717,929, or 4.64%, and of that amount, \$280,252 is tax revenue to be raised from new property added to the tax roll this year.

This statement is required by HB 3195 of the 80th Texas Legislature.

DATE: August 28, 2013 [revised from 8/6/2013]
TO: Honorable Mayor and City Council
FROM: Bob Livingston, City Manager
SUBJECT: Proposed FY2013 budget (v. 2)

Introduction

This memo presents the City Manager's proposed budget for Fiscal Year 2014 (FY2014, the period October 1, 2013 – September 30, 2014). The proposed FY2014 expenditure budget totals \$46,132,713, a 4.04% increase from FY2013:

	FY2012	FY2013	FY2014		
Fund	Actual	Adopted	Proposed		
	Expenditures	Budget	Budget	\$ Change	% Change
General	\$27,789,930	\$27,261,321	\$28,219,147	\$957,826	3.5%
Utility	\$13,704,022	\$13,989,599	\$14,710,895	\$721,296	5.2%
Sanitation	\$2,606,801	\$2,771,808	\$2,765,251	(\$6,552)	(0.2%)
Storm Water	<u>\$143,512</u>	<u>\$252,870</u>	<u>\$437,420</u>	<u>\$184,550</u>	<u>73.0%</u>
Total	\$44,244,265	\$44,275,598	\$46,132,713	\$1,857,120	4.2%

For the first time, the Storm Water Utility Fund is shown as a separate fund. Before now, the storm water utility fee revenues and program expenditures were included in the Utility Fund with water and sanitary sewer activities.

Five major themes will be discussed in this memo: property tax impact; water and sewer rate changes; personnel-related changes; library operations and funding; and operational and capital expenditures.

Major themes

1. Property tax impact

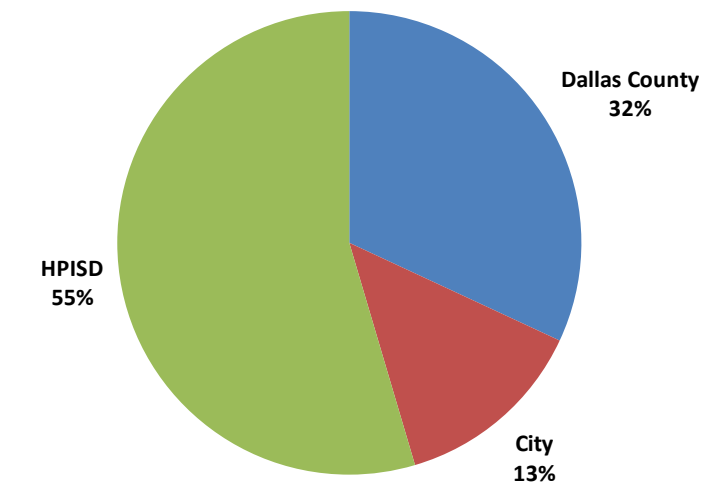

The 5.59% increase in University Park's taxable base means that lowering the current 27.845 cent tax rate to 27.432 cents still produces \$626,256 more tax revenue. The average single family homeowner would pay \$2,532 in City taxes--\$98 more than last year, but only \$6 more than four years ago. The next table and chart display the rise and fall in home values and City tax bills since FY2010.

Home value and property tax comparison

	FY2010	FY2011	FY2012	FY2013	FY2014
Assessed Value (Market)	\$1,189,311	\$1,120,199	\$1,093,015	\$1,092,539	\$1,153,806
Less 20% Hmstd Exmp	(\$237,862)	(\$224,040)	(\$218,603)	(\$218,508)	(\$230,761)
Taxable Value	\$951,449	\$896,159	\$874,412	\$874,032	\$923,045
Tax Rate per \$100	\$0.26548	\$0.27845	\$0.27845	\$0.27845	\$0.27432
City Tax Levy	\$2,526	\$2,495	\$2,435	\$2,434	\$2,532
Change in Tax Levy	\$227	(\$31)	(\$61)	(\$1)	\$98

No increases are budgeted for sales tax, building permit, or direct alarm revenues in the General Fund; this makes reliance on the property tax all the more pronounced. Even with the increase, University Park's tax levy represents a fraction of a taxpayer's overall tax bill, as the below chart shows.

2. Water and sewer rate changes

In April 2013 consultants from 3rd Generation Engineering completed a comprehensive water and sewer rate study for the City. The City has not increased water rates since 2010 or sewer rates since 2008, while treatment charges, operating costs, and capital project needs have continued to increase.

The combined effort of 3GE, City staff, and the Finance Advisory Committee resulted in new proposed rates that are designed to encourage conservation and simplify the rate structure. In short, to produce sufficient revenue, the new rates result in utility bills approximately 15% higher than at present. A summary of the proposed rates is shown in the table below.

Water (1-inch meter size)	Current	Proposed
Minimum base rate per month	\$12.75	\$11.00
Gallons included in base	2,000	0
Rate per 1,000 gallons	\$3.65	\$4.30
Conservation tier threshold	11,500 gallons/month	30,000 gallons/month
Conservation rate per 1,000 gals.	\$4.65	\$5.90

The impact on an individual water customer varies with consumption. The below chart displays the monthly bills resulting from four different consumption volumes.

Increased conservation measures, such as reduced lawn watering and installation of more water-efficient appliances, can reduce consumption volumes and blunt much of the rate increase impact.

Sewer (wastewater) rates were also included in the rate study. As with water, treatment charges, operating costs, and capital project needs have consistently risen, resulting in the need for a rate change.

The proposed rate changes are summarized in the following table, followed by a chart depicting the impact on a typical household.

Sewer	Current	Proposed
Minimum base rate per month	\$20.14	\$10.00
Gallons included in base	2,000	0
Rate per 1,000 gallons	\$3.01	\$4.15
Calculation method	Winter months average	Winter months average

3. Personnel-related changes

Employee salaries and benefits make up \$24,118,727, or 51.7%, of the City's \$46,672,541 budget. The FY2014 budget contains the following key personnel-related elements:

- A 2% pay raise for City employees. The FY2013 budget included a 3% raise, while the FY2012 budget maintained existing pay amounts. The cost of the raise citywide is \$339,091.
- Two additional full-time employees. The Police budget includes \$61,439 for one more police/fire dispatcher position, which would bring the total to eight and allow two dispatchers on duty at most times. The Library budget includes a reduction of two part-time employees (\$28,100) in exchange for one new full-time position, a circulation assistant (\$56,776). The impact of this change is lessened by comparison because the FY2013 budget included \$33,452 for partial year employment of the previous library director.
- Health insurance contribution increase. The FY2014 budget includes \$10,725 per employee (\$893.75 per month) for health insurance, a total of \$2,477,860 citywide, up \$362,860. The FY2013 adopted budget included \$9,000/month, or \$2,115,000 annually, while a midyear budget amendment increased the amount to \$9,900/employee. An increase in the employee portion of

health care costs is also being evaluated. Staff is meeting with the City's insurance broker and Employee Benefits Advisory Committee to find ways to reduce health care costs and prepare for requirements of the Affordable Care Act.

- **TMRS contribution reduction.** The employer contribution rate for 2014 is 8.16% of payroll, compared with 8.26% now. With the impact of the 2% pay raise and two new positions, the TMRS rate drop results in nearly the same budget dollars as last year--\$1,196,301 for FY2014 TMRS contributions versus \$1,196,577 in FY2013, a decrease of \$276.

4. Library operations and funding

The University Park Public Library's first-year budget of \$600,000 allowed the library to begin operating in its new space with three full-time and five-part time employees. Year-over-year activity measures for the library are encouraging:

Measure	FYTD July 2012	FYTD July 2013	# Change	% Change
Circulation	32,437	48,768	16,331	50.3%
New patrons	582	2,029	1,447	248.6%
Public computer sessions	1,444	1,695	251	17.4%

The FY2014 budget proposes \$696,072; most of the increase over FY2013 is to pay fees charged by the manager of the 8383 Preston Center Plaza building. These fees are budgeted in the "contract maintenance" line-item, along with custodial and plant maintenance charges. This item and other second-year changes are displayed in the table below:

Item	FY2013	FY2014	\$ Change	% Change
Salaries and benefits	\$390,768	\$394,248	\$3,480	0.9%
Software programming/maintenance	\$25,000	\$34,765	\$9,765	39.1%
Contract maintenance	\$0	\$74,190	\$74,190	n/a
Electric and gas service	\$60,000	\$43,680	(\$16,320)	(27.2%)
Telephone/Internet	\$5,300	\$29,300	\$24,000	452.8%

As in FY2013, the University Park Friends of the Library are expected to provide \$300,000 in FY2014 to support the UPPL.

5. Operational and capital expenditures

A variety of other proposed expenditures drive the proposed FY2014 budget and are displayed below. For the first time in five years, the amount proposed for transfer to the Capital Projects Fund is increased. This change will help maintain the Fund's financial soundness and fund the projects included in the City's Capital Improvement Program (CIP).

Category	FY2013	FY2014	\$ Change	% Change
Capital projects	\$5,227,602	\$5,337,373	\$109,771	2.10%
Electricity	\$686,000	\$657,537	(\$28,463)	(4.15%)
Equipment maintenance	\$971,338	\$1,011,764	\$40,426	4.16%
Equipment replacement	\$507,772	\$565,416	\$57,644	11.35%
Fuel	<u>\$426,840</u>	<u>\$477,958</u>	<u>\$51,118</u>	<u>11.98%</u>
Total	\$7,819,552	\$8,050,048	\$230,496	2.95%

Conclusion

The proposed budget is now ready for review by the Employee Benefits, Finance, and Insurance Advisory Committees. Staff proposes the following schedule to satisfy the public hearing and notice requirements for the FY2014 budget's adoption:

Date	Day	Description
August 9	Friday	Submit proposed budget to City Council and file with City Secretary
August 27	Tuesday	Receive staff briefing on budget and hold public hearing
September 3	Tuesday	Hold second public hearing
September 10	Tuesday	Adopt budget and related ordinances
October 1	Tuesday	New budget takes effect

Staff looks forward to meeting with the City Council and advisory committees to discuss the budget in more detail. We are happy to provide any additional information that will be helpful during your consideration.
