

UNIVERSITY PARK CITY COUNCIL AGENDA MEMO

Meeting Date:
6/3/2025

Item Type:
Consent Agenda

Subject: Consider approval of concrete saw purchase

Prepared By: Keegan Littrell, P.E., Director of Public Works

Background:

The City owns two concrete saws which were purchased in 2014. The saws are used daily by our Infrastructure Maintenance (IM) crews to perform multiple job functions within the division including pavement repair and replacement, water main break repairs, sanitary sewer repairs, and water and sanitary sewer tap installations to name a few. For over a year now, both saws have had significant maintenance issues and have been out of service for extended periods of time. While our Equipment Services team works diligently to ensure at least one saw is in working condition, it has become necessary to purchase a new saw to ensure IM crews can perform their maintenance and repair tasks in a timely manner.

The City requested three proposals for the replacement concrete saw and Texas Bearings of Dallas provided the lowest quote in the amount of \$43,000.00 with the freight charge waived.

Fiscal Impact:

- ☐ Not Applicable
- ☐ Budget Amendment Required
- ☐ Proposed Revenue
- ☒ Proposed Expenditure

Funding Source: Equipment Services Fund

Master Plan Goal:

Please check the associated Theme and provide the corresponding action item number.

	Theme	Action Item(s)
<input type="checkbox"/>	Affirming Sense of Place	
<input type="checkbox"/>	Assuring Connectivity	
<input type="checkbox"/>	Innovative Governance	
<input type="checkbox"/>	Technological Integration	
<input type="checkbox"/>	Preparing for the Future	
<input checked="" type="checkbox"/>	Not Applicable	

Recommendation:

Staff recommends City Council approval of the purchase of a new concrete saw from Texas Bearings of Dallas in the amount of \$43,000.00.
