Item Type:
Staff Report

Subject: July is Parks and Recreation Month Proclamation

Prepared By: Kaylon Jackson, Recreation and Special Events Supervisor

Background:

In 1985, the National Recreation and Parks Association (NRPA) declared July as national Parks and Recreation Month. Each year, Parks and Recreation agencies around the country recognize this declaration and participant in a number of community activities and outreach programs.

This year's theme is "Build Together, Play Together" to remind us of the contributions of more than 160,000 full-time park and recreation professionals — along with hundreds of thousands of part-time and seasonal workers and volunteers — who maintain our country's close-to-home parks.

Together we're building and maintaining sustainable parks and green spaces for current and future generations. Together, we're building thriving communities focused on health and well-being. Together, we're building high-quality programs and spaces accessible and inclusive for all.

Parks staff have planned a month full of events and programs for our community members to enjoy.

Today, we bring the proclamation before Mayor and City Council to declare July as Parks and Recreation Month in the City of University Park for 2025.
