

**AGENDA MEMO**  
12/3/2013 Agenda

**TO:** Honorable Mayor and City Council

**FROM:** Gene R. Smallwood, P.E.; Director of Public Works

**SUBJECT:** Establish NO PARKING – FIRE LANE

---

**BACKGROUND:**

Prior to getting started with the reconstruction of University Blvd, staff met with the contractor to develop the traffic control plan. One of the control measures was to allow eastbound traffic and detour westbound traffic to Lovers Lane or SMU Blvd. In doing so, we noticed NO PARKING signs along the south curb line were outdated and not consistent with signs along the south curb in the block to the west. The attached ordinance corrects the situation.

**RECOMMENDATION:**

Staff recommends City Council approval of Ordinance No \_\_\_\_ establishing NO PARKING – FIRE LANE along the south curb of University Blvd, east from Boedeker to North Central Expressway.
