

UNIVERSITY PARK CITY COUNCIL AGENDA MEMO

Meeting Date:
11/7/2023

Item Type:
Consent Agenda

Subject: Consider Rejecting All Bids – Traffic Signal Improvements

Prepared By: Elizabeth Anderson, Purchasing Manager

Background:

Traffic signal poles, mast arms, and video equipment need to be upgraded at two intersections:

- Lovers Lane and Preston Road
- University Boulevard and Preston Road

Staff posted Bid # 2023-13 in September for this project and received one offer. Bean Electrical bid \$1,281,307.95 to complete this work. This amount is more than 50% higher than what the City anticipated based on history and feedback from the engineers. **Staff is recommending that Council reject all offers for Bid # 2023-13.**

As this is the second unsuccessful bid for this project, staff would like to ask the NCTCOG Purchasing Department for an outside review of the City's bid documents. We would take their feedback into account before setting up a third attempt to bid out this work.
