**Item Type:**  
Consent Agenda

**Subject:** Consider an Interlocal Agreement with the City of Mesquite for CDL Training Services

**Prepared By:** Keegan Littrell, P.E., Director of Public Works

---

### **Background:**

The City wishes to enter into an Interlocal Purchasing Agreement with the City of Mesquite. The agreement will allow University Park to take advantage of their in-house Commercial Driver License (CDL) Training Program.

Interlocal agreements are allowed through the Interlocal Cooperation Act (Texas Government Code, Chapter 791). The City participates in similar arrangements for purchasing and services with a number of municipalities in the Dallas / Ft. Worth area.

If Council approves this request tonight, staff will consider utilizing the City of Mesquite's in-house CDL Training Program for Public Works staff required to obtain a CDL as a condition of their continued employment.

The Interlocal Agreement with the City of Mesquite was approved the Mesquite City Council on 6/2/2026 and is attached.
