

## UNIVERSITY PARK CITY COUNCIL AGENDA MEMO

**Meeting Date:**  
9/2/2025

**Item Type:**  
Work Session

**Subject:** Protection of Snider Plaza New Plantings, Fountain and Infrastructure

**Prepared By:** Katie Barron, PE, ENV-SP, Director of Engineering

---

### **Background:**

As a component of the enhancements in Snider Plaza, City staff is currently working to finalize plans for the installation of new trees and plantings within Snider Plaza in Fall 2025. In recent months, there have been several incidents of large vehicles driving through areas in the Plaza where plantings are planned or are currently planted. This has caused damage not only to the planting areas, but to the curbs and sidewalks as well. City staff would like to brief the City Council on these incidents and receive City Council feedback on options for helping protect these new plantings, the new fountain, and the newly installed City infrastructure throughout the Plaza.

### **Fiscal Impact:**

- ☒ Not Applicable
- ☐ Budget Amendment Required
- ☐ Proposed Revenue
- ☐ Proposed Expenditure

### **Master Plan Goal:**

Please check the associated Theme and provide the corresponding action item number.

	Theme	Action Item(s)
<input checked="" type="checkbox"/>	Affirming Sense of Place	2.1 Create more green space through University Park
<input type="checkbox"/>	Assuring Connectivity	
<input type="checkbox"/>	Innovative Governance	
<input type="checkbox"/>	Technological Integration	
<input type="checkbox"/>	Preparing for the Future	
<input type="checkbox"/>	Not Applicable	

**Recommendation:**

Staff recommends City Council receive information regarding options to protect newly installed plantings, the Snider Plaza Fountain and City infrastructure and provide staff direction regarding next steps.
