Up All Night

AT CAMP UP

UP All Night:

History:

- The University Park Preschool Association (UPPA) has hosted this event since 2014 for the UP Elementary Community.
- This year, they have elected to move in a different direction and will not be hosting the event.
- The University Park Elementary School PTA has elected to keep this tradition, and it will be hosted by the PTA.

What is UP All Night?

- It is a fundraising event benefitting UP Elementary.
- It is an “Urban Campout”- an overnight camping experience right here in UP!
- In addition to camping, the PTA will host camping related activities i.e. rock wall, putt putt golf, ax throwing (inflatable, not authentic), zip line, etc. (See slide 8)
- Families (a least one parent and child) camp in tents on the UP Field while getting to know their neighbors and spending time with friends.
- One parent (of each attending family) will volunteer a shift at the event & supervise all activities as a part of admission. There is a mandatory volunteer commitment for every participating family.
- This has become an annual event for UP Elementary School community since 2014.
