Dear Mark,

**\*\*City of University Park - New Police Facility (Fondren) Project\*\***

The City of University Park is building a new Police Training Facility on Fondren Drive and are equipping it with Avigilon ACM 6 Access control and ACC 7 Video. DIGI has put together a comprehensive quote that includes all the below devices and the labor required for the installation, configuration and programming to complete the project. DIGI has also included permitting fees that will be incurred for any access control projects in the City of University Park. The City of University Park will be running the camera recording back to the NVR located at the Peak building and the doors to be put onto their access control appliance so neither are required on-site for this installation. The City of University Park currently have ACM 6 licenses in order to be utilized for the new doors that DIGI will be installing.

**SCOPE OF WORK**

**Licensing**

- (10) ACC 7 Enterprise Video Licenses

**Video Surveillance**

- (6) 4.0C-H6A-D1-IR Interior Dome Cameras
- (4) 24C-H5A-3MH Exterior Multi-Sensor Cameras
- Installation Materials, Cabling & Required Mounting Equipment
- Labor for Installation, Programming, Configuration & Training

**Access Control**

- (10) SN200 Card Readers
- (10) DPS Door Contacts
- (10) DS160 Request to Exits
- (1) 8 Door Avigilon Life Safety Enclosure
- (1) 4 Door Avigilon Life Safety Enclosure
- (1) MP1502 Avigilon Mercury Main Controller
- (4) MR52 Avigilon Mercury Sub Controller
- Installation Materials, Cabling & Required Mounting Equipment
- Labor for Installation, Programming, Configuration & Training
