

AGENDA MEMO
9/10/2013 Agenda

TO: Honorable Mayor and City Council

FROM: Gary W. Adams, Chief of Police

SUBJECT: Agreement for Services between All American Animal Control (AAAC) and the City of University Park for Animal Impound Services.

BACKGROUND:

In July of 2013, the services agreement for animal impoundment with the East Dallas Veterinary Clinic was terminated. The City of University Park contacted numerous vet clinics and nearby area cities for animal impoundment services but none were able to help due to overcrowding.

All American Animal Control (AAAC) works with several smaller North Texas cities and towns and is able to provide needed animal impoundment services to University Park.

RECOMMENDATION:

Staff recommends approval of this agreement and has submitted a request to raise the impoundment fees for animals from \$30 per day to \$50 per day to offset increased costs associated with this endeavor. This fee is found in the Code of Ordinances Appendix A Fee Schedule Section A4.006 (a).
