

AGENDA MEMO

8/2/2016 Agenda

TO: Honorable Mayor and City Council

FROM: Gerry Bradley, Director of Parks and Recreation

SUBJECT: Consider approval of participation in Dallas County aerial spraying

BACKGROUND:

During the August 2, 2016 City Council meeting, staff will provide City Council with an update regarding the most recent information regarding mosquito control efforts within Dallas County. These items will include:

- Number of positive West Nile results within Dallas County
- Number of infected cases of West Nile and other mosquito transmitted viruses
- Dallas County map illustrating the location of positive mosquito identification
- Plans for potential Dallas County aerial spraying
- Potential costs associated with Dallas County aerial spraying
- City of University Park mosquito spraying/fogging schedule for the week of 8/1 through 8/6

RECOMMENDATION:

Staff will take direction from City Council on how to proceed with this issue.
