BioTel Participants for FY2016-17

RE: Termination of Interlocal Agreements related to a BioTel services for FY2017

Dear Biotel Participant:

This is formal notice that the City of Dallas and University Park, mutually agree to terminate on September 30, 2016, the second year of the two year Interlocal Agreement for Biomedical On-Line Supervision. The Agreement is with Dallas, and the services are provided by Parkland Health and Hospital System (PHHS). Each participant may contract directly with Parkland or another provider for these services for FY2017 and beyond.

If you have any questions or need more information, please contact me at 214-670-4609.

Respectfully,

Norman Seals, Assistant Chief
Emergency Medical Services Bureau
Dallas Fire-Rescue Department
