Dear Mr. Bradley,

After another successful year of our "UP All Night" event, the University Park Preschool Association (UPPA) would like to request the use of Curtis Park on April 22<sup>nd</sup>, 2017. As you know, "UP All Night" is a fundraising event benefiting UP Elementary School with upwards of 275 families (potentially 800 individuals) attending. The proposed event will take place both at Curtis Park and on the University Park Elementary sports field. "UP All Night" is an overnight campout for fathers and their children. We plan to follow the same framework as last year and are thereby proposing the overnight campout to occur at UP Elementary and camping-themed activities to take place at Curtis Park.

Last year's event raised over \$110,000 for University Park Elementary! It was well received and seems to be a sustainable fundraising event for our organization. This could not have been accomplished without the support of the City of University Park as well as the HPISD. Thank you for your consideration. I look forward to receiving any questions you may have regarding this request and the event as a whole.

Sincerely,

Jennifer Clifton  
UPPA President 2016 - 2017
