

March 2017

Dear Neighbors,

On April 8, 2017 at Burleson Park (3000 University Blvd, just east of the SMU campus) the Park Cities Historic and Preservation Society will host its second Classic & Antique Car Show as part of the annual PCHPS Home Tour events. The show will run from 10am to 3pm (parking open for show vehicles begins at 8:30am). The forecast is for good weather, but we will host the show at the park on the following weekend (April 15, 2017) in the event of inclement weather. The City of University Park will close Daniel from Durham to Dublin on the north side of the park, and University on the east south side of the park between Durham and Dublin. Dublin will be open to traffic in both directions.

Street accommodation of this event will begin at 7am. The show will end at 3pm and traffic flow will be restored by 5pm.

Please know that the parking surrounding Burleson Park will be used by vehicles registered for the car show and will be closed to the public from 8am-4pm. Visitors to the event will be directed to use the SMU commuter lot on the south side of University across from the park.

Admission is free to the public. Registration for cars and trucks will be \$35 and motorcycles will be \$25. All show proceeds will benefit the Park Cities Historic and Preservation Society. The event includes music, a trophy presentation, food and drinks, and of course, beautiful one-of-a-kind cars along with many treasures from neighborhood garages.

We hope you will plan to walk over and join us for this first-time, neighborhood event.
