**STANDARD FEATURES**

**Mechanical**

- Pickup box
- 4.3L EcoTec3 V6 engine This aluminum-block V6 engine is capable of running on unleaded gasoline or up to 85% ethanol blends. It features 3 of Chevy's latest engine technologies that deliver power when needed and efficiency when less power is called for:
  - 285 hp @ 5300 rpm
  - 305 lb-ft of torque @ 3900 rpm
  - Active Fuel Management

- Direct Injection
- Variable Valve Timing
- 6-speed automatic transmission

This smooth-shifting electronically controlled transmission with overdrive includes:

#### Tow/Haul mode

- Raises transmission upshift points to provide more power to accelerate with a trailer or heavy load
- Raises downshift points to use engine compression to help slow the truck instead of merely braking

#### Powertrain Grade Braking

- Automatically uses the engine and transmission to slow the truck to maintain desired speeds when driving downhill
- Reduces brake wear and increases vehicle control

#### Cruise Grade Braking

- Downshifts automatically to slow the truck as it drives downhill if it exceeds the cruise set speed by a certain amount
- 3.23 rear axle ratio
- 6900 lbs. GVWR
- Rear wheel drive
- External engine oil cooler
  - Heavy-duty air-to-oil cooler
  - Integral to driver-side of radiator tank
- Battery, heavy-duty, 730 cold-cranking amps
  - 70 Amp-hr
  - Maintenance-free with rundown protection and retained accessory pow
- 150 amp alternator
- Frame, fully-boxed, hydroformed front section
- Suspension Package, Handling/Trailering
- Steering, Electric Power Steering (EPS) assist, rack-and-pinion
- 4-wheel antilock disc brakes
  - Segment-exclusive DURALIFE™ brake rotors
  - Feature a corrosion-fighting process called Ferritic Nitro Carburizing, which can double rotor life expectancy and reduce or minimize rust
  - Help reduce heat buildup and prevent fade, delivering strong, sure stops
  - Sensors at each wheel detect lockup before it happens
  - Eliminates the need to pump the brakes
  - Helps prevent skids on slippery surfaces

Helps you maintain steering control even during hard braking – a critical ability when avoiding obstacles in an emergency stop.

- Exhaust, aluminized stainless-steel muffler and tailpipe

## Interior

- Audio system with 4.2" diagonal color screen with AM/FM, USB ports and auxiliary jack

This 4.2" diagonal color screen AM/FM radio lets you listen to your favorite music through your truck's sound system. To accommodate a variety of media, the system includes:

- An auxiliary jack
- USB ports<sup>1</sup>

<sup>1</sup>Not compatible with all devices

- SiriusXM Satellite Radio, delete
- 6-speaker audio system Silverado 1500's audio system features 6 speakers positioned throughout the cabin for great sound and an enjoyable listening experience.
- Front 40/20/40 split-bench seat

This 3-passenger split-bench seat is available in either cloth or vinyl. It features:

- Driver and front passenger seats that include a manual recline with cloth seat (fixed with vinyl)
- Head restraints in the outboard seating positions
- A center seatback that doubles as a fold-down armrest with storage

A driver lumbar support that is manually adjustable with the cloth seat; a fixed lumbar is included with the vinyl seat.

- Full-width rear folding bench seat Includes child seat top tether anchor.
- Graphite-colored rubberized-vinyl floor covering The Graphite-colored rubberized vinyl floor covering is a practical way to deal with mud, snow and dirt.
- Manual tilt-wheel steering column
- Instrumentation, 6-gauge cluster featuring speedometer, fuel level, engine temperature, tachometer, voltage and oil pressure
- Driver Information Center This 3.5" diagonal monochromatic display provides the driver with basic vehicle information as well as any warning messages.
- Power windows Includes:
  - Express-Down and Express-Up features on driver window
  - Express-Down feature on all other windows

Included with WT Convenience Package on Regular Cab model.

- Power door locks
- Cruise Control
  - This standard feature enables you to maintain a minimum speed of approximately 25 mph or greater
  - Includes set and resume speed buttons conveniently located on the steering wheel
- Single-zone manual air conditioning
- Assist handle, front passenger on A-pillar

## Exterior

- 17" Painted steel wheels
- P255/70R17 All-season, blackwall tires
- 17" Full-size spare steel wheel
- 17" all-season, blackwall spare tire Requires available P255/70R17 all-season, blackwall tires.
- Tire carrier lock Keyed cylinder lock that utilizes same key as ignition and door.
- Front black bumper
- Rear black bumper
- Cargo area lamps, cab mounted
- CornerStep rear bumper The CornerStep feature at each end of the rear bumper helps make it easier to get into and out of the pickup bed, even with the tailgate open.
- Chrome grille surround A chrome grille surround encircles Silverado® 1500's grille.
- HID projector-beam headlights with LED signature DRL
- Outside manual, Black mirrors
- Solar absorbing tinted glass
- Door handles, Black
- Tailgate and bed rails protection cap
- Locking tailgate
  - EZ Lift and Lower Locking Tailgate
  - All Silverado tailgates now include a tailgate lock, utilizing the same key as the ignition and door

## Safety

- StabiliTrak Includes:
  - Proactive Roll Avoidance
  - Electronic trailer sway control
  - Hill start assist
- Compares your steering with the vehicle's reaction, then makes any necessary braking and torque adjustments to enhance control.
- Daytime Running Lamps with automatic exterior lamp control
- Dual-stage frontal and side-impact air bags, driver and front passenger and head curtain and seat-mounted side-impact air bags, front and rear outboard seating positions An array of air bags<sup>1</sup> provides protection for the driver, front passenger and rear passengers in the outboard seating positions. Silverado also includes a Passenger Sensing System that:
  - Detects the presence of a properly seated occupant on the front passenger seat
  - Decides whether the frontal air bag at the front passenger seat should be enabled (able to inflate, if needed)
  - Will turn off the right-front passenger frontal air bag under certain conditions
- <sup>1</sup> Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.
- OnStar, delete also deletes driver information center compass
- Tire pressure monitoring

Price less cash offers. Tax, title, license and dealer fees extra. Not available with lease, special finance and some other offers. See participating dealer for details.

\*\* MSRP excluding installation, taxes and wheel components (if applicable). Dealer prices may vary. Some accessories may require purchase of additional equipment and/or services. See your dealer for details.

<sup>1</sup> MSRP excludes tax, title, license and dealer fees. See dealer for details.
