

**AGENDA MEMO**  
4/4/2017 Agenda

**TO:** Honorable Mayor and City Council

**FROM:** Christine Green, City Secretary

**SUBJECT:** Consider approval of a resolution appointing the Civic Foundation Scholarship Committee.

---

**BACKGROUND:**

In 2009, a \$60,000 donation was made to the University Park Civic Foundation for the purpose of establishing a college scholarship program for the children of city employees. The program was established in 2010, and 15-20 students each year have received partial scholarships.

In 2012, the City Council approved a process to continually fund the program through donations via city water bills. In 2013, the Council established the Civic Foundation Scholarship Advisory Committee and appointed members to work semi-autonomously to administer the scholarship program and award scholarships each academic year to eligible students.

The committee has not been reappointed since 2013 and was in need of replacement members, so this resolution appoints members to the committee through April 2019.
