5/16/2017 Agenda

TO: Honorable Mayor and City Council

FROM: Jacob Speer, Director of Public Works

SUBJECT: Consider an ordinance revising the Residential Parking District near the HPHS by removing portions of the 4100 block of Lovers Lane

BACKGROUND:

City staff received a request from the Highland Park School District to remove the 4100 block of Lovers Lane from the Residential Parking District near the HP High School to allow for student parking. At the direction of Council given on March 7, petitions were distributed to the property owners soliciting their feedback on the request. Staff received responses from 10 property owners. Staff received seven (7) responses in favor of the request from HPISD for their properties and three (3) responses opposed to the request from owners of the property at 4125 Lovers Lane. No response was received from 4149 Lovers Lane. The revisions to the parking district leave in place the Resident Only Parking designation in front of 4149 and 4125 Lovers Lane. The attached map illustrates the portions of the curb line this ordinance will remove from the Residential Parking District and which will become available for student parking.

RECOMMENDATION:

Staff recommends approval of the ordinance to remove portions of the 4100 block of Lovers Lane from the Residential Parking District.
