

**AGENDA MEMO**  
5/16/2017 Agenda

**TO:** Honorable Mayor and City Council  
**FROM:** Gerry Bradley, Director of Parks and Recreation  
**SUBJECT:** Mockingbird Wall Landscape Improvements

---

**BACKGROUND:**

On May 1, 2017, staff had scheduled bid opening for landscape improvements along the Mockingbird wall (see attached bid tab). After performing reference checks on the apparent low bidder, staff is ready to enter into a contract with Valle Verde Systems, LLC. in the amount of \$94,225, with a project contingency of \$7,500. The cost of the landscape improvements is within the established project budget as identified in the 2016-17 CIP budget.

**RECOMMENDATION:**

Staff will take direction from City Council on how to proceed with the project.
