

## **AGENDA MEMO**

7/18/2017 Agenda

**TO:** Honorable Mayor and City Council

**FROM:** Greg Spradlin, Chief of Police

**SUBJECT:** Discuss parking issues in the Resident Only Parking district in the 3100 block of Rosedale Avenue

---

### **BACKGROUND:**

Earlier this year, staff was approached by residents of the 3000 block of Rosedale, a single family block, who expressed concerns about the parking district and the impact their block has received from the 3100 block of Rosedale, a multi-family block. The residents indicated their on-street parking was being taken up by the residents of the multi-family 3100 block of Rosedale due to a lack of parking spaces within that block coupled with the large number of parking permits issued to those residents. Staff then confirmed their assessment to be accurate.

The matter was presented to the Public Safety Advisory Committee for a resolution. The committee has recommended the 3100 block of Rosedale become their own parking district within that block and to eliminate the issuance of hang tags/placards to those living in the 3100 block.

### **RECOMMENDATION:**

Staff seeks direction from council regarding a potential ordinance amendment.
