### IMPORTANT NOTES:

Milled material becomes the property of Dustrol, Inc.

Dustrol, Inc. will mill concrete (0 - 1") or until rebar is encountered which ever is achieved first.

Dustrol, Inc. is not responsible for damage to concrete due to encountering rebar.

The general contractor agrees to provide a project water source and the water for the milling operation. Dustrol Inc. assumes no liability for the gradation of the milled material.

Upon completion of the designated section of the work, Dustrol, Inc. shall be relieved of all liability for the work, and protection of the work shall be assumed by others. Insurance and indemnification provided by Dustrol, Inc. shall be limited to this condition.

If you have any questions or require additional information, please contact myself, Jerry Simpson or Stoney Morlan.

Sincerely,

Randy Wicke  
Southern Division Manager
