University Park Police Department

University Park TX 75205

Dear Chief Spradlin:

This letter is to serve as notification that the Susan G. Komen Dallas Fort Worth 3-Day will be passing through your jurisdiction.

The Susan G. Komen 3-Day® is a 60-mile walk for women and men who are ready to end breast cancer forever. Participants raise a minimum of \$2,300 and walk an average of 20 miles a day for three consecutive days. Seventy-five percent of the net proceeds raised by the Komen 3-Day help Susan G. Komen® support the global research program and other mission objectives, while the remaining 25 percent helps Affiliates support local programs including medical assistance, patient navigation and provider education, for example.

Since its founding in 1982, Komen has funded more than \$920 million in research and provided more than \$2 billion in funding to screening, education, treatment and psychosocial support programs serving millions of people in more than 30 countries worldwide. Komen is the world's largest breast cancer organization, funding more breast cancer research than any other nonprofit outside of the federal government, while providing real-time help to those facing the disease.

But there is still more work to be done. In 2017, more than 250,000 new cases of invasive breast cancer are expected to be found in women and more than 2,400 new cases of breast cancer in men in the U.S. So we keep walking, and we keep raising money until breast cancer is done.

On Sunday November 5 2017 approximately 1000 women and men will pass through your jurisdiction between 7:30AM – 10:45AM. I have enclosed a portion of our route map to detail the areas where participants will be walking. You will find that most the event takes place on sidewalks, shoulders and in bike lanes.

Safety is the number one priority of the 3-Day. All of our walkers, volunteer crew members and paid staff receive safety education before the event begins. Participants are required to follow all safety rules and regulations of the event.

Enclosed is our Event Notification Form for your signature. We carry this with us at all times during the 3-Day. In the unlikely event of an emergency during our time within your jurisdiction, we will contact you, or your representative (or designee), immediately.

Thank you for your support,

Subject: Susan G. Komen 3-Day® Walks

The purpose of this letter is to introduce Event 360, Inc. to you. Event 360 has been contracted by Susan G. Komen® to provide event production services for the Susan G. Komen 3-Day event, which is a series of charitable fundraising walks that will be held in communities like yours throughout the United States.

The goal of the 3-Day event is to raise funds for the continuing fight against breast cancer and to foster awareness about this deadly disease in communities nationwide. The thousands of participants in the 3-Day for the Cure event walk 60 miles over the course of three days, each raising \$2,300 or more to fight breast cancer. Seventy-five percent of the net proceeds raised by the Susan G. Komen 3-Day help support Komen's national research grant portfolio and large public health outreach programs for women and men facing breast cancer. The remaining 25 percent helps fund local community financial, treatment and support programs.

Since its inception in 1982, Komen has funded more breast cancer research than any other non-profit organization while providing funding for screening, treatment assistance and social and financial support to women, men and families facing the disease. But there is still much more work to be done. Breast cancer continues to be the leading cancer in women, with nearly 1.7 million cases of breast cancer expected to be diagnosed globally this year alone. For further information about Komen, breast health or breast cancer, please visit komen.org or call 1.877 GO KOMEN. For more information about the 3-Day, please visit The3Day.org.

I am writing on behalf of Komen to ask for your support as Event 360 works to develop a walking route in your community for the 3-Day. Komen and Event 360 are committed to operating a safe and successful event that will reflect positively on your community, while raising funds and awareness for this worthy cause.

If you would like further information or have questions, please contact Komen's 3-Day Project Manager, Chrissy Mathews, at 972-701-2196 or cmathews@komen.org.

Thank you for your support and cooperation.

Sincerely,

Ellen Willmott
Corporate Secretary

ROUTE DESCRIPTION

This year, thousands of women and men will come together in an amazing display of courage and commitment. They'll walk 60 miles over the course of three days, approximately 20 miles each day. Each day, the route is open during daylight hours only.

Throughout the 60 miles, the participants are supported each step of the way. At no time, will we block or direct traffic in any manner. Participants walk only on sidewalks, shoulders and in bike lanes, and follow all pedestrian traffic laws as they venture along the route. The event is supported by a team of dedicated volunteer route safety crew members stationed at various points along the route. The route safety team ensures that participants are abiding by all traffic laws and crossing streets safely. All along the route, six to ten 12-passenger "Sweep" vans patrol the route picking up participants who are unable to continue walking. The last walker is escorted by an event staff member known as "the caboose," who is in constant communication with the event Command Center and is also tracked via GPS locator.

Approximately every three to four miles, the participants will come to a rest stop, or service area, designated as a pit stop, grab & go or lunch stop. All stops are operated by event volunteers and staff. Both pit stop and lunch stop areas are designed to give the participants a place to rest, re-hydrate, refuel and take care of basic first aid needs. Licensed medical professionals are located at each of the pit stops and ambulances are stationed where the majority of the participants are gathered. Some of these stops also have coach buses stationed on-site to transport walkers who are unable to continue walking.

Each rest stop has an opening and closing time, to ensure participants keep a pace that enables them to complete the route before sunset. Participants arriving after the designated closing time board a coach bus and are moved ahead to either another stop along the route or to the end of the route.

The entire route is monitored from our well-equipped Command Center, which is stationed at our campsite on Friday and Saturday and at our closing location on Sunday. Up-to-the-minute reports are sent to the Command Center where we track the location and pace of the walkers, record any incidents, and handle all emergencies.

Susan G. Komen 3-Day® Description

This year thousands of women and men will come together in an amazing display of courage and commitment. They'll walk 60 miles over the course of three days, each raising \$2,300 or more in the fight to end breast cancer forever.

As participants cover the mileage on foot, volunteers help along the way. As evening approaches, the walkers come home to an amazing Mobile City, complete with sleeping tents, hot meals, showers, medical services and everything they need to rest up safely for the next day's journey. As the walkers reach the end of 60 inspirational miles, they are greeted by a joyful Closing Ceremony to celebrate their accomplishment.

Each Susan G. Komen 3-Day® walker commits to raising \$2,300 or more for the cause. They're not fundraising experts. They're not athletes. They're ordinary people who've been inspired to make a difference. Because they made the simple decision to do something bold, to not sit by while breast cancer takes its toll, lives will be saved.

Seventy-five percent of the net proceeds raised by the Komen 3-Day help fund national research and large public health outreach programs for women and men facing breast cancer. The remaining 25 percent helps fund local community and Affiliate support and outreach programs.

For more information about the 3-Day®, visit The3Day.org or call 800-996-3DAY. For more information about Susan G. Komen®, breast health or breast cancer, visit www.komen.org or call 1-877 GO KOMEN.

GRAB & GO DESCRIPTION

“Grab & Go” locations are support areas set up along each day’s route for Susan G. Komen 3-Day® participants. They are operated by event volunteers and staff and are designed to give the walkers a place for a quick rest and a chance to re-hydrate.

Generally, a Grab & Go will have one 15’ diameter, free-standing tent for serving water and sports drink. Supplies, water and ice are dropped off the morning of the event and are removed when the site is officially closed. Portable toilets are also a part of a Grab & Go and are typically delivered the evening before use and picked-up the evening after use.

Vehicles ranging from passenger cars and minivans to a 24’ box truck will need to access the site and require parking on the event day.

Dear Taxpayer:

This is in response to your Jan. 11, 2013, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in June 1992.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section 509(a)(2).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.
