Dear Chief Spradlin,

This letter is to serve as notification that the Susan G. Komen Dallas 3-Day will be passing through your jurisdiction.

The Susan G. Komen 3-Day® is a 60-mile walk for women and men who are ready to end breast cancer forever. Participants raise a minimum of \$2,300 and walk an average of 20 miles a day for three consecutive days, educating tens of thousands of people about breast health and raising funds to help support breast cancer research and community outreach programs. Over the past 14 years and 156 events, the Komen 3-Day has raised more than \$820 million—which Komen has used to save lives and make huge strides in breast cancer research.

In 2016, Susan G. Komen® set a Bold Goal to reduce the current number of breast cancer deaths by 50 percent in the U.S. by 2026. Seventy-five percent of the net proceeds raised by the 3-Day® help Komen support the global research program and other mission objectives, while the remaining 25 percent helps Affiliates support local programs including medical assistance, patient navigation and provider education, for example, all of which support Komen's Bold Goal.

But there is still more work to be done. In 2018, more than 250,000 new cases of invasive breast cancer are expected to be found in women and more than 2,400 new cases of breast cancer in men in the U.S. So we keep walking, and we keep raising money until breast cancer is done.

On Sunday, November 4, 2018, approximately 1000 women and men will pass through your jurisdiction between 7:30am and 10:45am. I have enclosed a portion of our route map to detail the areas where participants will be walking. You will find that most of the event takes place on sidewalks, shoulders and in bike lanes.

Safety is the number one priority of the 3-Day. All of our walkers, volunteer crew members and paid staff receive safety education before the event begins. Participants are required to follow all safety rules and regulations of the event.

Enclosed is our Event Notification Form for your signature. We carry this with us at all times during the 3-Day. In the unlikely event of an emergency during our time within your jurisdiction, we will contact you, or your representative (or designee), immediately.

Thank you for your support,

Subject: Susan G. Komen 3-Day® Walks

The purpose of this letter is to introduce Event 360, Inc. to you. Event 360 has been contracted by Susan G. Komen® for the past 15 years to provide event production services for the Susan G. Komen 3-Day event, which is a series of charitable fundraising walks that will be held in communities like yours throughout the United States.

The Komen 3-Day raises funds for breast cancer community outreach programs and national research, all to help further Komen's Bold Goal to reduce the current number of breast cancer deaths by 50% in the U.S. by 2026. The thousands of participants in the 3-Day event walk 60 miles over the course of three days, each raising \$2,300 or more to help in the fight against breast cancer. Seventy-five percent of the net proceeds raised by the Susan G. Komen 3-Day help support Susan G. Komen's global research program, while the remaining 25 percent supports programs providing medical support (patient navigation programs, for example), and local education programs funded by local Affiliates.

Since its inception in 1982, Komen has funded more breast cancer research than any other non-profit organization while providing funding for screening, treatment assistance and social and financial support to women, men and families facing the disease. But there is still much work to be done. Breast cancer continues to be the leading cause of cancer deaths in women around the world. Every minute, somewhere in the world, a woman dies of breast cancer—that's more than 1,400 women every day. For further information about Komen, breast health or breast cancer, please visit komen.org or call 1.877 GO KOMEN. For more information about the 3-Day, please visit The3Day.org.

I am writing on behalf of Komen to ask for your support as Event 360 works to develop a walking route in your community for the 3-Day. Komen and Event 360 are committed to operating a safe and successful event that will reflect positively on your community, while raising funds for this worthy cause.

If you would like further information or have questions, please contact Komen's Director of Events, Carrie Stovall, at 972-855-1631 or cstovall@komen.org.

Thank you for your support and cooperation.

Sincerely,

Carrie Stovall

ROUTE DESCRIPTION

This year, thousands of women and men will come together for the Susan G. Komen 3-Day® in an amazing display of courage and commitment. They'll walk 60 miles over the course of three days, approximately 20 miles each day. Each day, the route is open during daylight hours only.

Throughout the 60 miles, the participants are supported each step of the way. At no time will we block or direct traffic in any manner. Participants walk only on sidewalks, shoulders and in bike lanes, and follow all pedestrian traffic laws as they venture along the route. The event is supported by a team of dedicated volunteer route safety crew members stationed at various points along the route. The route safety team ensures that participants are abiding by all traffic laws and crossing streets safely. All along the route, six to ten 12-passenger "sweep" vans patrol the route picking up participants who are unable to continue walking. The last walker is escorted by an event staff member known as "the caboose," who is in constant communication with the event Command Center and is also tracked via GPS locator.

Approximately every three to four miles, the participants will come to a rest stop, or service area, designated as a pit stop, grab & go or lunch stop. All stops are operated by event volunteers and staff. Both pit stop and lunch stop areas are designed to give the participants a place to rest, rehydrate, refuel and take care of basic first aid needs. Licensed medical professionals are located at each of the pit stops and ambulances are stationed where the majority of the participants are gathered. Some of these stops also have shuttle vans stationed on-site to transport walkers who are unable to continue walking.

Each rest stop has an opening and closing time, to ensure participants keep a pace that enables them to complete the route before sunset. Participants arriving after the designated closing time board a shuttle van and are moved ahead to either another stop along the route or to the end of the route.

The entire route is monitored from our well-equipped Command Center, which is stationed at our campsite on Friday and Saturday and at our closing location on Sunday. Up-to-the-minute reports are sent to the Command Center, where we track the location and pace of the walkers, record any incidents, and handle all emergencies.

GRAB & GO DESCRIPTION

"Grab & Go" locations are support areas set up along each day's route for Susan G. Komen 3-Day® participants. They are operated by event volunteers and staff and are designed to give walkers a place for a quick rest and a chance to rehydrate.

Generally, a grab & go will have one 15-foot diameter, free-standing tent for serving water and sports drink. Supplies, water and ice are dropped off the morning of the event and are removed when the site is officially closed. Portable toilets are also part of a grab & go and are typically delivered the evening before use and picked up in the evening, after the site is officially closed.

Vehicles ranging from passenger cars and minivans to a 16-foot box truck will need to access the site and require parking on the event day.
