

AGENDA MEMO
6/18/2019 Agenda

TO: Honorable Mayor and City Council
FROM: Randy Howell
SUBJECT: Interlocal Radio System Usage Agreement ILA

BACKGROUND:

This is the third ILA that we will be executing and is titled: *INTERLOCAL RADIO SYSTEM USAGE AGREEMENT*. This ILA is also referred to as the *INFRASTRUCTURE/SUBSCRIBER PARTICIPANT AGREEMENT*. This ILA references what the rules are for the radio system management and must be agreed to by each entity regardless if they are a system owner of infrastructure and core (Garland and Mesquite), system infrastructure owner only (Highland Park, University Park & Rowlett) or a system subscriber (Sachse). When Rowlett joined the Garland and Mesquite system, the *INTERLOCAL RADIO SYSTEM USAGE AGREEMENT*, was attached as an addendum to the Participant Agreement. Garland and Mesquite have since decided to split this document out and now it is a stand-alone ILA.

RECOMMENDATION:

Approval of ILA to allow system participation.
