TO: Honorable Mayor and City Council

FROM: Elizabeth Anderson, Purchasing Manager

SUBJECT: Consider Contracts to Re-Surface Swimming Pools

BACKGROUND:

The large pool and the wading pool at the Holmes Aquatic Center need to be repaired and resurfaced. This is standard maintenance, and this work was last performed in 2009.

Sunbelt Pools is offering to do this work through their BuyBoard contract # 533-17. Their estimate for the large pool is \$188,960. This amount includes removing the existing plaster, adding new plaster, repairing cracks and control joints, and re-grouting the tile. The estimate for the wading pool is \$27,195.00 to remove and replace the existing plaster. **The total amount for both pools is \$216,155.00.**

The City has partnered with Sunbelt Pools for several years and has a good relationship with this vendor. All BuyBoard contracts have been competitively bid and thus satisfy State purchasing guidelines.

Quotes from Sunbelt Pools are attached.

RECOMMENDATION:

Staff recommends that Council approve the contract with Sunbelt Pools for \$216,155.00.
