

Wading Pool

September, 2019

Buy Board Contract 533-17 Swimming Pool Chemicals, Supplies and Equipment Category 8 Pool Coatings and Compounds

Property to drain and refill pool and turn off and restart equipment/lights.

Scope of Work

Note: Pricing below based on Diamond brite, light color and Plaster Prep Price line itemization on the BuyBoard Category 8 attachment.

Prep Plaster to Gunitite

1. Saw cut and chisel beneath all the water line tile
2. Saw cut and chisel around all lights, fittings, main drains and other surface penetrations
3. Sawcut around tile in middle platform
4. Strip one layer of existing plaster finish to gunitite by hydroblasting
5. Acid wash the pool surface with muriatic acid to remove oils and surface impurities and neutralize the acid salts

Buy Board Contract price \$3.92 per square foot. Quoted Price \$3.70 per sf x 2,100: \$7,770.00

Resurface Pool with Diamond Brite Blue Quartz

6. Apply a 3/8" thick light colored Diamond Brite to the pool surface using large stainless steel trowels and work the finish until it is uniformly smooth and hard.
7. Acid wash the newly finished surface to expose the diamond brite quartz.
8. Sunbelt to remove plaster dust from pool once the pool is filled.
9. Balance chemicals for start up

Buy Board Contract price \$10.00 per square foot. Quoted Price \$9.25 per sf x 2,100: \$19,425.00

Alternate Option 2: Additional layer of plaster to be stripped to reach gunitite, additional \$5,130.00 per layer (\$6,412.50.50 – 20% buy board discount of \$1,282.50)
