

AGENDA MEMO

1/7/2020 Agenda

TO: Honorable Mayor and City Council

FROM: Elizabeth Anderson, Purchasing Manager

SUBJECT: Consider award of Bid 2020-02 for Traffic Signal Improvements

BACKGROUND:

As part of the multi-year program to replace traffic signals throughout the community, staff posted Bid 2020-02 for Traffic Signal Improvements at the following intersections:

- Preston Road and Colgate Avenue
- Preston Road and Caruth Boulevard
- Hillcrest Avenue and Southwestern Boulevard

Staff received two bid responses on December 19, 2019. Durable Specialties, Inc. was the low bidder with a bid of \$517,000. The City has had good experiences with Durable Specialties in the past and staff feels their bid is fair and reasonable.

Upon Council approval, staff will direct Durable Specialties to order the poles and mast arms for the signal replacements. Upon delivery, work will begin on Preston Road so the signal replacements at Colgate and Caruth are complete prior to the opening of Hyer Elementary.

A bid tabulation and contract are enclosed.

RECOMMENDATION:

Staff recommends City Council award of Bid 2020-02 for Traffic Signal Improvements to Durable Specialties, Inc. in the amount of \$517,000.00.
