9/1/2020 Agenda

TO: Honorable Mayor and City Council

FROM: Christine Green, City Secretary

SUBJECT: Dallas County FY21 Interlocal Agreement for Coordinated Health Services

BACKGROUND:

The City contracts annually with Dallas County Health and Human Services (DCHHS) to provide health services related to the control of tuberculosis, sexually transmitted diseases and other communicable diseases, as well as public health lab services. Additionally, the County provides immunizations, child health care, high risk infant case management, and home visits. The City's cost is \$48, which is the amount of budgeted costs in excess of the federal and state funding for providing the health services under this contract for the fiscal year October 1, 2020 - September 30, 2021.

RECOMMENDATION:

Renew the annual contract with DCHHS for coordinated health services.
