Jacob Speer
Public Works Director
City of University Park
4420 Worcola
Dallas, TX 75206

Dear Mr. Speer,

We would like to request permission by license agreement with the City to construct new pedestrian gates and improvements within the right-of-way at the front of our property, at 6700 Turtle Creek. The new improvements will be behind the existing fence line. The license agreement would also include the existing fencing and gates that are currently in the right-of-way. Plans for the improvements are attached.

Sincerely,

Brad K. Heppner
